Pastor's Ponderings

Alleluia Christ is Risen! **Christ is Risen Indeed, Alleluia!**

Wherever you are when you read this, I hope you boldly (and audibly) responded. If others are in your vicinity, extra points to you! We often do well proclaiming these words in worship, but not as much outside the walls of the building. We are good shouting, singing and showing up at Easter; but tend to decrescendo through the Easter season. There is energy and life at the Easter brunch, and not necessarily as much at the Pentecost affirmation of baptism. That is life in the Church.

Maybe it is living in Colorado, and our early end to the school year, but it does seem that summer vacation starts right after Easter. April showers not only bring May flowers...April joy brings May lethargy; so much energy is put into Easter, we are thankful for a breath when May arrives; when adult and youth education ends; when bells and choir are over for the season; small group get ready wrap up; and when summer lulls can be planned.

But even though the tomb is empty and Christ has been raised, our work is only beginning. Our boldness continues in word and deed! May, June, July and August – aren't vacation for Trinity. God knows what is in store for us this summer, and continues to work wondrous miracles and bring unexpected, good news to us. Showing up in the 5 youth affirming faith in June. And the Saints/Sinners Golf group teeing off Fridays. Showing up in new faces in worship and new stories we hear in fellowship. And the council retreat. And VBS. And Sky Ranch week in July. I could go on (but I'll stop there!).

Thank you. Thank you for continuing the work that God started in Christ Jesus on Easter long ago. Alleluia Christ is Risen! How do we respond?

Peace, Pastor Rick

Habitat Faith Builders Luncheon

The annual Habitat For Humanity Faith Builders Luncheon will be **Thursday, May 15, from 11:30 am-1 pm**, at first United Methodist Church in Ft. Collins. This event is the kick-off event for HH's fundraising to support two families in 2025 to build their new homes. Last year, the Faith Partners (Trinity and St. Paul being two of twenty Ft. Collins churches) supported two families, Luis and Elida, and Marshall, in building their homes. Their homes are well underway. This year, we are gearing up to help two new families reach their dream of a new home.

The luncheon is free and catered by Austin's so the food will be delicious. Steph Dugger and Jo Anne Gearhart are hoping to have you as their guests at the luncheon. You will learn more about HH's work here in Ft. Collins. You will have an opportunity to donate but it is your choice to do so. If you are interested in attending this informative and inspirational luncheon, please contact [Steph Dugger](#) or [Jo Anne Gearhart](#) as soon as possible. Our deadline is May 1. We can take as many as twelve people so let us know soon!

Garden Group *"There is a time for everything, and a season for every activity under the heavens:....a time to plant and a time to uproot..." Ecclesiastes 3:1-2* It is about "time to plant" in the 301 Faith Partners' garden. There is work to do to prepare for the planting; the planting; the watering; the weeding; and ultimately the harvest. Working in the garden and sharing the produce is rewarding, but it does require the efforts of several volunteers. We would love to welcome more volunteers to share the workload. If you are interested and willing to join our Small Group Ministry, you can get more information by contacting Nyla Anderson at 970-231-1282 or nader0620@aol.com. Monetary donations to help with the garden are always accepted, checks can be made out to Trinity Lutheran with Garden in the memo line.

301 FP Joint Ecological Team (JET) ECO Tip of the Month

In the dryer, separate your clothes by fabric weight. On most modern clothes dryers, the default mode stops the cycle as soon as the built-in moisture sensor detects dry fabric. In a mixed-weight load, though, your jeans and sweatshirts might be damp, while your underwear and T-shirts are bone-dry; as a result, it either stops the cycle short, which is annoying, or overcooks the dry items, which is rough on the fabric. Split up the loads for the best results. (Or if you want to save the most energy possible, just hang-dry.) - from New York Times' Wirecutter series.

The Joint Ecological Team (JET) meets as needed to plan educational events, bike to work day, volunteer opportunities, and advocacy. If you have any suggestions for future Eco-Tips, please email them to the Trinity church office(amanda@trinitylutheranfc.org). Our next meeting is **Tuesday, May 27 at 5:30 pm**. Be sure to check out the JET table and bulletin board in the NW corner of the Fellowship Hall!

The heart, hands & feet of God

Thank someone who has lived out their faith by sharing their gifts and made a difference in the church OR community, please email Amanda, amanda@trinitylutheranfc.org.

A heartfelt thank you to everyone who helped make our Easter Brunch a success! Special thanks to **Lisa Dunworth and Shelley Aust** who coordinated the event. Whether you manned the griddles, brought butter, pancake mix, orange juice, syrup (or just showed up hungry), your contributions made it all come together. Big or small, every little bit helped turn brunch into joyful and delicious gathering!

Thank **you** for supporting families to flourish in your community. With your gift (\$2,000), Lutheran Family Services Rocky Mountains is able to empower families on their way to stable, vibrant futures. Lutheran Family Services Rocky Mountains has provided essential resources and support to families throughout the region for over seven decades. ~ Lutheran Family Services Rocky Mountains

Trinity Lutheran Church, Thank you so much for the wonderful gift to the food Bank! We are serving record numbers of families in need right now and we are truly grateful for your help. Your generosity is helping us help our neighbors. ~ Food Bank for Larimer County

Thank **you** for your gift of \$2,000 to Global Refuge! Since 1939, we've built a legacy of compassion by walking alongside more than 770,000 new neighbors as they rebuild their lives in the United States, restoring a sense of home for families who had to leave theirs. These are unprecedented times where your support is needed more than ever. ~ Global Refuge

301 Faith Partner Prayer Group

After meeting with all our Pastors and Deacon, it appears that it is a good thing to continue our 301 Prayer Group even though in-person participation in the group has been low. We trust "where two or three gather Jesus is in our midst." The prayer group began after all three of our bishops visited us and it became apparent that each congregation needed to discern with its leadership the direction of our 301 Partnership. The bishops encouraged us, while we were doing that work, to pray together.

The purpose of the 301 Partnership Prayer Group has been to pray for our Pastors, Deacon, and all our leaders, that they might have a deeper understanding of the values of the partnership: Love, faith, compassion, collaboration, inclusivity, sanctuary, diversity, gratitude, communication, and creativity, and that they might live out these values as they work together. We now see how important it is to include each member of each congregation in our prayer, so that together we live out the values of the partnership as we pray and serve together.

This year we would like to pray for everyone to discern the spiritual gift the Spirit has promised them. What is your spiritual gift? Is it administration, artistry, discernment, evangelism, exhortation, faith, giving, hospitality, intercession, knowledge, leadership, mercy, music – vocal – instrument, pastoring, service, skilled craft, teaching, wisdom or writing? How are you using this gift in service to our communities? And we are inviting all leaders to send us your intentions, prayers and petitions, so that as we gather on the last Monday of the month, we can pray for your needs. Please join us to pray on each. Everyone is important to this work of prayer, and all are welcome, whether you have come before or not. Please join us in person or in Spirit.

All Things Faith Formation

Registration for participation is now open: [VBS 2025 Registration - Set Sail](#). Deadline to register May 26th. Registration for youth volunteers coming soon.

Please register directly with Sky Ranch: [SUMMER CAMPS \(skyranchcolorado.org\)](https://skyranchcolorado.org) and use the code: **25TLCFC**. Trinity will pay \$200 per camper (thank you, Trust)! This amount will automatically be taken off your registration when you use the code. If you decide to go a different week (I know, schedules are complicated) please mark Trinity, Fort Collins on your registration and let me know and you to get the same offer. The early registration has closed, but there are still spots available. Reach out to Sky Ranch directly and let me know if you have any questions.

TLC Preschool

After a few April showers (and snowflakes), the spring flowers are starting to emerge! And speaking of flowers, TLC Preschool will again be fundraising with Gulley gift cards. The first weekend of sales will be May 3 & 4, with sales continuing through May (the exact end date hasn't been determined yet). Cards are each \$20, with \$5 of each card sold going to support the preschool program. You can buy one card or many cards, or, if you don't really need a gift card, you're welcome to support the preschool with a donation. We're able to accept cash or checks, which should be made out to TLC Preschool. We appreciate all of the 301 Faith Partners who support the preschool!

The school year is winding down for preschool. It has been a different year for us, but we have adapted and have been making every effort to create even more of a well-qualified program. The work continues, but we're beginning to see some returns on our efforts as our enrollment for the upcoming school year gradually increases. Any donations received are going to those efforts and even small amounts truly do help us out!

We're wrapping up our year with some fun activities – a visit from the firefighters, volcanos, outdoor painting and some up close and personal experiences with insects! As always, sending love and thanks to Shelley Aust for continuing to provide fun and music for our little ones, and Pastor Rick and Deacon Katie for their continued commitment to providing fun faith learning for the preschoolers, no matter how few or how many of them there are!

God's Peace, Brenda Harju

Your Gifts In Action ~ Sky Ranch

Trinity members have supported Sky Ranch from the beginning, both through individual gifts and through the congregation's budget. Many families have attended summer camp, volunteered for service projects, served on the staff and board of directors, and donated generously. When Lutheran seminary students are asked why they decided to go into ministry, many answer summer camp or Lutheran Campus Ministries.

The Sky Ranch mission is To Facilitate an Encounter with Christ on the Mountaintops by:

- ★ Being a place set apart
- ★ Providing participants with service learning opportunities
- ★ Introducing our guest to the beauty of creation
- ★ Emphasizing the value of retreat to physical and spiritual well-being
- ★ Partnering with local, regional, and national congregations

The funding necessary to carry out Sky Ranch's mission comes from a combination of sources which include income from program, retreats, congregational support, and – equally important - your gifts. Donations make up roughly 40% of the total operating revenue of the Sky Ranch ministry. When you give to Sky Ranch, your gift supports high quality programs, facilities and staff. Your gift provides an interactive Christ centered experience that changes lives. They never turn away a child because of financial hardship. Sometimes the ones who need camp the most are the ones who can't afford to pay for it. Your gifts to Sky Ranch gives every child, youth, and family the opportunity to attend regardless of their ability to pay.

Lori Bode, executive director, wrote: "We are deeply grateful for Trinity's faithful partnership and enduring support of Sky Ranch. Your gifts, prayers, and presence have helped create sacred spaces where children, youth, and families encounter God's love in powerful, transformative ways. Because of your generosity, campers of all backgrounds are welcomed into a Christ-centered community where they can grow in faith, build lasting friendships, and experience the joy of creation. Thank you for helping make Sky Ranch a place where lives are changed, and God's grace is shared freely." Contact the Sky Ranch office to learn more about giving opportunities, including: Thrivent Action Teams & Choice Dollars, Planned Giving, and more. 970-493-5258, <https://www.skyranchcolorado.org/>

Council Meeting Highlights

- ✦ Property reported that prospects are good for repairing rather than replacing the fellowship hall furnace. We are working with a contractor who is familiar with our system and are moving ahead.
- ✦ Property has explored 3 options for improving our fellowship hall AV system. Council approved going forward with Property's recommendation and Finance will communicate with Trust, asking for assistance with the cost.
- ✦ The first part of our council retreat is April 27, noon to 2:30. The subject will be conflict resolution.
- ✦ We were reminded that each ministry should start working on an event this year, that welcomes the public into our space and fellowship, as part of our goal to grow.
- ✦ Worship and Music may be accepting the gift of a Steinway grand piano. Steps are needed before this is final.

Respectfully submitted, Marilyn Morrissey, Council Secretary (Complete minutes available in the office)
